He asked that I add the following sentend	ce to specify that only
the list is to be declassified and that the documents remain classified:	
As indicated in our previous instructions	
remain classified but we will review the documents individually	
for declassification upon request for their particular utilization.

I also raised these questions:	
What about the Agency Office of Security and DDP/CI as well as	
the originating offices of the documents on the list?	
Did he coordinate with them?	
He said all the documents were from DDI c	omponents originally
except for OCI. He said the DDI Security Officer was in on the
